Re: Metcoa Site Draft EE/CA Administrative Record

Dear Kathleen:

In addition to the TCLP data and items # 42 and 49 which were requested on November 21, the Generator Defendants and their consultants need copies of the following items from the Administrative Record (identified by their index number) in order to proceed with their review of Region III's draft EE/CA: 18, 26, 28, 29, 30, 35, 36, 40, 43, 44, 45, 47, and 48. Could you please let me know what will be the most expeditious way to obtain these documents? For example, can you send them to me directly, or will I need to make arrangements for someone to visit Region III in Philadelphia?

Thank you for your assistance.

Very truly yours,

Laura B. Ahearn
